This cozy two bedroom, one bath cottage is the perfect retreat for long family vacations or romantic get-away weekends.

Amenities include an electric fireplace, microwave, fully equipped kitchen, cable TV, off street parking and a restaurant with lounge across the street.

There is truly something for everyone; crabbing, deep sea fishing, clam digging, whale watching, beach combing, hiking, golfing and much more. Harris State Park and beach are a short 5 minutes away.

There are miles of trails, many species of birds, ducks, and wildlife, coastal flowers and trees for guests to enjoy. For adventure seekers, there is surfing, beach hiking, golfing, or fishing.

Because of it's unusually mild climate, Brookings is known as "The Banana Belt of Oregon." Flowers bloom all year, about 90% of the country's Easter lilies are grown locally.

The Port of Brookings-Harbor and the Chetco River and Winchuck River provide popular fishing areas. Fish for salmon, crabs or for cutthroat trout.
